

CORRECT SPELLING AT A GLANCE

It can be tough to remember the spelling of something from earlier chapters when it's brought up again in later chapters. Make sure your novel remains consistent throughout. Jot it down the first time. It will help with a quick recall later down the line.

Example: The Brookshire Grand hotel or the Brookshire Grand Hotel?

They spent a week at the Brookshire Grand resort.

“Welcome to The Brookshire Grand Hotel, Ms. Jones.”

Example: Choose style, Okay or OK.

NOTES TO SELF AND/OR EDITOR:
